1. About this policy

This Cookie Policy explains how Corvanta Solutions Limited (“Corvanta”, “we”, “us”) uses cookies and similar technologies on www.corvantasolutions.co.uk and on the Corvanta Business Education Academy at academy.corvantasolutions.co.uk (together, the “Websites”). It should be read with our Privacy Policy at [www.corvantasolutions.co.uk/privacy-policy]. Corvanta Solutions Limited is the data controller for personal data collected through cookies on our Websites.

2. What cookies are

Cookies are small text files placed on your device when you visit a website. They allow the website to work, remember your choices and, with your permission, help us understand how the website is used. Similar technologies, such as pixels and local storage, work in a comparable way; in this policy, “cookies” covers all of them.

Under the Privacy and Electronic Communications Regulations 2003 (PECR), we only place cookies that are strictly necessary for the Websites to work without asking you. All other cookies are used only if you give your consent.

3. The platforms behind our Websites

- **Main website.** www.corvantasolutions.co.uk is built and hosted on the IONOS website builder, provided by IONOS Cloud Ltd.
- **Academy.** academy.corvantasolutions.co.uk runs on Thinkific, provided by Thinkific Labs Inc., which delivers our courses, student accounts and checkout.

These providers set the cookies needed to run their platforms on our behalf. We do not add any other cookies or tracking tools of our own, except as described in Section 4.

4. The cookies we use

Category	Purpose	Set by	Consent needed?	Typical duration
Strictly necessary	Make the Websites work: page delivery, security, load balancing, remembering your cookie choices, student log-in, keeping you signed in, course access and checkout	IONOS (main website); Thinkific (Academy)	No: the Websites cannot work without them	Session to 12 months
Functional	Remember preferences such as language or region so you do not need to re-enter them	Thinkific	Yes	Up to 2 years
Statistics	Measure visits and how the Websites are used, in aggregate, so we and our platform providers can improve them	IONOS (site statistics); Thinkific (platform analytics)	Yes	Up to 2 years
Advertising [only if enabled]	Measure the results of our Facebook and Instagram adverts and show relevant adverts to people who have visited our Websites (Meta Pixel)	Meta Platforms Ireland Limited, through the Thinkific integration	Yes	Up to 90 days

The exact cookies set by our platform providers can change when they update their services. A current list of cookie names is available on request, and you can view the cookies set on your device at any time through your browser settings.

For more on how our providers use cookies, see the IONOS privacy information and the Thinkific Cookies Policy (www.thinkific.com/cookies-policy).

5. Your choices

- **Cookie banner.** When you first visit our Websites, a banner lets you accept or reject non-essential cookies. Non-essential cookies are not set until you accept them. Rejecting them does not affect your ability to use the Websites.
- **Changing your mind.** You can change or withdraw your consent at any time through the “Cookie settings” link in the footer of each Website.
- **Browser settings.** You can block or delete cookies through your browser. Blocking strictly necessary cookies may stop parts of the Websites, such as the Academy log-in and checkout, from working.
- **Advertising choices.** You can also manage how Meta uses your data for adverts in your Facebook and Instagram “Ad preferences” settings.

6. Changes to this policy

We will update this policy if the cookies we use change, and show the date of the latest update at the top. Where a change requires your consent, we will ask for it again through the cookie banner.
